

ARCHDIOCESE OF MIAMI

Office of the Archbishop

August 2013

Dear friends in Christ:

Welcome to the Archdiocese of Miami Virtual Catholic School (ADOM-VCS). The Archdiocese of Miami is proud to be the first Archdiocese in the country to provide virtual classes for students to engage on-line or utilize as a component of a blended learning classroom.

Our mission is to ensure that Catholic education is not only on the cutting edge, but setting the pace and establishing new educational models to inspire students to maximize their God-given gifts resulting in transformation, therefore, it is important that all Catholic schools keep pace with the demands of the 21st Century. The Archdiocese of Miami invites you to join us on this educational journey. The current platform has all the required courses for students in grades 9 through 12 including AP courses. There are several courses that could be taken by eighth grade students for high school credit. Highly qualified theology teachers have developed curriculum based on the USCCB framework for high schools. The secular courses are based on the Common Core Standards. All the instructors are certified teachers who teach in the Archdiocese of Miami. ADOM-VCS is fully accredited through AdvancED.

Certified teachers will begin developing curriculum for grades 6-8. We will continue to utilize the talents of the certified teachers in the Archdiocese of Miami.

Please take the opportunity to contact Rebecca Bautista at rbautista@adomvirtual.com or 305-508-5556 for more information about ADOM-VCS.

Sincerely yours in Christ,

Most Reverend Thomas Wenski
Archbishop of Miami
